Volunteer Application

Volunteers come in all shapes and sizes and there is a volunteer opportunity for almost anyone in our organization. Some people help only with training, others help only in emergencies, and others do only chores around the barn or property. Every job counts and is important for the welfare of our horses and in order for us to be effective, we need volunteers to help out.

What kind of volunteers do you need? We are looking for folks who are reliable, self-starters with a strong work ethic and are not afraid of getting dirty or doing grunt type chores/jobs. Most of the work in maintaing horses isn't glamorous or especially fun, so people who want to volunteer must be committed to doing the job right (no matter what the job) and not expect a lot in return other than knowing your work is helping these horses gain a better life.

If you are interested in volunteering, please fill out the form below and mail it to us. We will contact you within two weeks of receiving your application. **YOU MUST BE 18 YEARS OR OLDER TO SUBMIT THIS APPLICATION.** *If you are a minor, your parent or guardian must fill out this form for you and submit.*
